Our KENZA "be generously beautiful"™ VISION

KENZA ("treasure" in Arabic) refers to the many treasures we find and hold dear in life: nature, people, diverse cultures, and traditions.

KENZA International Beauty aims to broaden the meaning of physical beauty to also include generosity and its global impact. In alignment with this goal, we ask us and you to "be generously beautiful"™.

To meet this aspiration, we will allocate a portion of our profits to support women foundations in the USA and a women cooperative in Morocco that produces our **KENZA Pure Argan Oil**. This way, we provide all of us the opportunity to empower women simply by purchasing **KENZA "be generously beautiful"™** products.

We proudly offer two **KENZA - Pure Moroccan Beauty Oils** that are sustainably sourced and produced by women cooperatives in Morocco: **KENZA Pure Argan Oil & KENZA Pure Prickly Pear Seed Oil**.

At **KENZA International Beauty** we are convinced that our **KENZA - Pure Moroccan Beauty Oils** are the most precious beauty treasures nature can offer and we feel it is our duty to share them with people who share our vision.

We can all be beautiful inside and out by using natural beauty care products while contributing to positive social change for women in the United States and Morocco.

As we empower women, we improve the lives of their families, their community, and the world.

With Love & Gratitude
